Site visit to tour the £40m Airbus Wing Integration Centre facility specifically designed to provide the most advanced working environment & tools for Airbus, their suppliers, partners & academia, to deliver the next generation of aircraft wing, landing gear system & fuel system designs. Galliford Try invite us to see the strong floor anchor system before concrete is poured.

The building will house Airbus aerospace engineers working in early stage research right through to in service aircraft improvements as well as emerging technologies.

Please arrive by 12:00 noon for site tour, light lunch and networking.

NB: PPE will be required (this includes Hi-Viz, hard hat & site boots).

We regret that in the event of non-attendance the ticket price cannot be refunded.

To Apply: Please fill out & return the attached form together with your cheque (payable to "Women in Property") to:

Rachel Bell, Stride Treglown, St George's Lodge, 33 Oldfield Road, Bath, BA2 3NE – 01225 466173 rachelbell@stridetreglown.com
