

Networking Lunch and Regional Student Award

Thursday 16th July 2009
12pm meet the students
12.30pm networking and lunch
Room Restaurant 81 King St, Manchester

Join us for a lunchtime of networking giving you the opportunity to rapidly meet a number of new contacts from across the property industry. This is a fun and focused session where new contacts will be made, where lots of business cards can be swapped and, we hope, the establishment of some successful future business relationships is born!

After viewing the work of our talented students, there will be an opportunity to chat to friends and make new connections before a well deserved two-course lunch.

The winner of the North West awards will be announced on the day and will be put forward to be judged in the national awards in at Claridges in September.

To Apply: Please fill out and return the attached form together with your cheque (payable to "Women in Property") to:
Hannah Whale, Whale Marketing, Brazen House, 27 Great Ancoats Street, Manchester, M4 5AJ.
