www.birdhousefund.org

Join us on our exclusive trip experiencing the highlife at Beetham Tower, Manchester.

Starting with a wine and canapés reception in Manchester highest bar, Hilton's Cloud 23, this will be an opportunity to network with members while taking in the scenic views of the city at night.

Members will then be escorted to the 47th floor and granted rare and exclusive access to the illustrious duplex penthouse apartment, home to our hosts Jo Farrell and Ian Simpson.

Proceeds from this event will be donated to Manchester's Birdhouse Fund which helps support local women through training and community projects.

This is a **member's only** event and numbers are limited so book early to avoid missing out on this rare chance to see inside one of Manchester most iconic properties.
