North West Branch Annual Dinner & Charity Raffle 2010

Midland Hotel, Manchester
Friday 23rd April 2010

Our guest speaker, David Lunts, has long had connections with Manchester, having been for several years Chair of Housing and Deputy Leader of Manchester City Council. His work on the regeneration of the city, particularly Hulme, stoked his passion for the role property can play in shaping successful towns, cities and communities. He has since worked closely with HRH Prince Charles and Ken Livingston, in his roles as CX of The Prince's Foundation and Executive Director at the Greater London Authority, and alongside Lord Rogers on the Urban Task Force. Now Regional Director for London at the Homes and Communities Agency, he manages one of the largest housing development budgets in the country.

Also joining us as compare for the evening is Manchester Confidential's thoroughly entertaining Property Editor, Jonathan Schofield who will be sharing his insight into the regions property industry.

Jonathan will conduct a charity raffle in support of Forever Manchester, a brand new fundraising initiative from The Community Foundation for Greater Manchester. Here's a taster of some of the prizes:

- a complete signed CD set of New Order and Joy Division reissues
- "Forever Manchester" a fabulous picture donated by Neil Roland
- a photography session - for your business, your family or yourself - donated by Lesley Chalmers Photography. (More announcements to follow!)
