

# South Bristol Skills Academy Site Visit

Tuesday 20 April 2010

12.30 – 2.30pm

South Bristol Skills Academy, off Whitchurch Lane, Hengrove,  
Bristol BS14 0JZ

This event is sponsored by:

Cowlin invites members and their guests on a special preview tour of the £23m South Bristol Skills Academy, which Cowlin is due to hand over to the City of Bristol College in May.

The Skills Academy will comprise of an iconic 11,000 sq m four-storey building, with distinctive curved facades and curtain walling, forming a gateway into Hengrove Park. At the heart of the building is the 'Winter Garden and Terraces', a series of central interactive flexible spaces which come together to create a vibrant hub for the college - a place to meet, work and socialise. It is a major part of the wider regeneration of south Bristol and a key component in the drive to improve standards of education and the levels of skills across the city.

A buffet lunch will also be provided, offering an opportunity to network with fellow members and their guests.

Cowlin will have a limited amount of PPE available, so please bring/borrow your own hard hats and yellow vests if at all possible. Footwear will not be provided, so please **bring sturdy walking boots or wellington boots to wear on site**. Unfortunately there is no spare parking available on site, so it is proposed to park at Cowlin's Bristol office (1/2 mile away) and if members and guests are willing, attendees could share cars over to the site and back.

Places are very limited so to avoid disappointment, please let me have your bookings by **13 April 2010**. (Unfortunately bookings cannot be accepted without payment or after this date). We regret that in the event of non-attendance, payment cannot be refunded.

**To Apply:** Please fill out and return the attached form together with your cheque (payable to "Women in Property") to:
