This event is supported by:

In the fourth part of our Influential Speaker Series, Urban Splash's fabulous Communications Manager Leanne Forshaw, divulges her knowledge on successful social media networking. Learn how to use Twitter, Facebook and LinkedIn effectively to boost your own or your company's profile and how to establish new business relationships that lead to real meetings.

The talk is hosted by Urban Splash at Chips, their Will Alsop designed building and will include a tour of the development.

All this is concluded with a short talk by Halliday Meecham on 'a beginners guide to BREEAM'
