Bradford's City Park will be a landmark £24million, 2.5 hectare park in the heart of the city. City Park has set out to be a catalyst for regeneration and to change perceptions of Bradford. As well as buildings and extensive public realm works, it will include a Mirror Pool and spectacular fountains providing the largest city centre water feature in the UK. The project has been on site since December 2009 and is due to be completed by summer 2011.

The event will start at City Hall at 12pm, there will be a presentation by the Mirror Pool design team & client, followed by a short tour round the perimeter of the site. We will finish the visit with a buffet lunch, with the chance to network and ask the design team questions, in the new Art Gallery which has fabulous views over the site.

To Apply: Please fill out and return the attached form, by 14.05.2010, together with your cheque (payable to "Women in Property") to:

Michaela Graham, Allenbuild site office, 9 Manchester Road, Huddersfield, HD1 3HH
