

Restoration & Glamour Networking event at GL14

Tuesday 25 May
6.30 pm – 8.30pm
GL14, Canada House, 3 Chepstow Street – off Oxford Street,
Manchester M1 5FW

Join WiP for an evening of glamour and restoration at GL14's boutique health club at Canada House. On arrival we'll be treated to a reception of bubbles, sushi and delightful designer cupcakes served up by the lovely GL14 personal trainers while we network.

This will be followed by a tour of the beautiful Grade II listed building accompanied by General Manager Lee Pollitt and Director, Georgina Livesey explaining the building's heritage and the trials of developing a former fabric warehouse into an award winning health club.

To finish the night we will also have the opportunity to experience some glamour as GL14 invites us to us to sample some of their treatments including mini manicures, false lash demonstrations and a hypnotherapist. Plus £10 from ticket price will be deducted from any treatments or beauty products bought or booked on the night.
