Women in Property are delighted to invite you to join us for an exciting day of informal networking, clay target shooting and lunch in the beautiful Northumberland countryside.

Your ticket price includes all equipment hire, safety briefing, assistance and full supervision from award winning qualified instructors, clay targets, cartridges and a delicious locally prepared lunch.

The day will begin from 9.30am at Bywell Shooting Ground with a chance to get to know each other before the safety briefing. Shooting will commence from 10.30am with everyone getting the chance to become familiar with the gun, get their eye in and almost certainly break some clays!

Lunch will be served from 12.30pm giving you another chance to network. After lunch you will get the chance to put into practice what you have learnt with a fun mini competition and trophies up for grabs!! We expect to conclude the day around 3pm.

We look forward to seeing you there. Please note that places are limited to 25 so if you do wish to join us on this extremely fun day please return your forms without delay.

To Apply: Please complete and return the attached form by 16 July 2010, together with your cheque (payable to "Women in Property") to:
