The Association of Women in Property invite you to an economic update from the Bank of England's North East Deputy Agent, James Mason.

The presentation will cover the Bank's most recent assessment of the UK economy and the factors that impact upon it. The agencies work as the Bank's 'eyes and ears' and are an important channel of communication between the Bank, businesses and the general public.

There will be an opportunity for you to put your questions to James so please bring along any issues you would like to discuss.

The event will begin with networking followed by the presentation, questions and answers and an exceptional 2 course meal with tea & coffee.

To Apply: Please complete and return the attached form by 17 February 2012, together with your cheque (payable to "Women in Property") to:

Jenny Graham, Northumbrian Water Property Solutions, Northumbria House, Abbey Road, Pity Me, Durham, DH1 5FJ
