

Liverpool Branch New Member's Lunch

8 February 2012
12:30 – 2:30pm

Viva Brazil Restaurant, 36 Castle Street, Liverpool, L2 0AH

This year is 25th Anniversary of Women in Property. The Liverpool branch is kicking off with a new member's lunch. Building on last year's success the event is being hosted at the delicious and accommodating Viva Brazil.

Bringing a taste of Brazil to Liverpool! We are pleased to invite you to our New Members lunch, which will be held at the new Viva Brazil restaurant. Please feel free to forward this on to anyone else who you think would like to come along and anybody who may be interested in becoming a new member of WiP.

We will have Champarinha to start followed by a Churrascaria lunch where there is a wonderful array of meats and salads to choose from. Guests control the pace of their experience with a small green and red-sided circular chip given to each of them. The green side "Yes, please" signals the "Gauchos" chefs to serve, while the red side "No, thank you" stops the service. You may take a break and resume service simply by displaying the green side again.
