

## Careers Event: Ambitions+ "Pathways and Progression"

Thursday 1 March 2012: 9:30 a.m. - 11:30 a.m.,  
1:00 p.m. - 3:00 p.m. and 4:00 p.m. - 8:00 p.m.

UWE Exhibition Centre, Frenchay Campus, Bristol

As part of Women in Property's ongoing roadshow initiative, we are participating in educational events arranged with local schools, colleges and universities with the aim of educating young women about the prospects available to them in the property and construction sector.

Corporate responsibility is on the agenda of most employers and therefore this may be an activity that is actively encouraged by your employer.

The Kingswood Schools Partnership has invited Women in Property members to host an information stand at the Ambitions+ Pathways and Progression event on Thursday 1 March 2012.

As a Women in Property volunteer you would be asked to be available to answer questions from the students and talk to them generally about your experiences in your chosen area, including your training experiences. Please note that volunteers will not be required to invest preparation time and we have materials prepared for the Women in Property stand.

The event structure is intended to be informal and relaxed and so we have broken down each of the sessions as set out above. Volunteers are needed for each of the sessions.

If you would be interested in participating in this event or would like to offer your services for future events, please contact our education roadshow coordinator, Naomi Evans - [nevans@vww.co.uk](mailto:nevans@vww.co.uk) or 0117 314 5481.
