

MANN ISLAND SITE TOUR

25 May 2012
 9:00 – 10:30
 Mann Island, Liverpool (main Sales & Marketing Suite)

Over the past couple of decades, the proud city of Liverpool has undergone a steady programme of regeneration to take its place once more at the forefront of the country's heritage. And nowhere has this rejuvenation manifested itself more noticeably than along the waterside hub of the city – the famed Liverpool docks. The Mann Island site is designed to complement and enhance existing and planned attractions on the Liverpool historic waterfront. It will form a pivotal point between the Three Graces and the Albert Dock, with the geometry of the new buildings reflecting this transition. It will create a destination in its own right and form a key link between the city centre, the riverfront and Albert Dock. Join Women in Property for a fantastic behind the scenes tour at the landmark Mann Island Development in the heart of Liverpool.

Itinerary as follow:

- 9.00am Meet and Greet at Mann Island (main Sales & Marketing Suite). Refreshments will be provided.
- 9.30 am A brief overview of the development by Deborah Hughes - Sales Manager
- 9.40 am A tour of the scheme and show apartments
- 10.00am Return to the Sales Office for Coffee and Networking
- 10.30am Close

Places are limited and this event is also open to men.
