 miller

Stride Treglown have been working with The Kier Group to provide a new food store on the edge of Portishead. The development is for a Sainsbury's store, including a customer restaurant, with a net sales area of approximately 30,000ft<sup>2</sup>. The car park includes a petrol filling station and the landscaping alongside the site will tie into the local cycle path network.

The quick paced design and build project started on site in May 2014 and is now nearing completion. The steel frame is now in place, the roof is on and the store is awaiting glazing to make it water tight. The tour will include a walkthrough of the construction site and a presentation to further discuss the implementation of 'sustainable' technologies such as photovoltaic panels and a biomass boiler. The store is predicted a 69% BREEAM score almost meeting an 'Excellent' rating.

Attendees will need to ensure they are wearing appropriate flat footwear – please bring any PPE with you (hard hats / site boots etc).

We regret that in the event of non-attendance the ticket price cannot be refunded.

**To Apply:** Please fill out and return the attached form together with your cheque (payable to "Women in Property") to:

**Rachel Bell**
