Circle Square will be a new diverse and unique community in the heart of Manchester, with VITA's student scheme the first to complete. On this tour a representative from SES Engineering will show us VITA's fantastic offering including movie rooms, fully equipped gyms, collaborative study spaces, breakfast bars and games rooms. We'll also get a closer look at the many cranes on the overall Circle Square site working on commercial office space, new homes, retail and leisure space for shops, studios, bars and restaurants, a multi-storey car park and two hotels.
