Join us at Sheffield Hallam University's Hertha Ayrton STEM Centre for a CPD event with Watson Batty Architects in the heart of the City Centre Campus. The event will include a presentation from Rima Yousif, Regional Director at Watson Batty Architects and lead architect on the project. Rima will present the design concept for the centre which was focused on creating a high-quality STEM (Science, Technology, Engineering and Maths) building to encourage more females to take up those courses. A networking lunch will be provided prior to the talk and the event will conclude with a walking tour of the building.

To Apply: Please fill out and return the attached form together with your cheque (payable to "Women in Property") to: Sarah Wills DLP Planning, Ground Floor, V1 Velocity Village, Tenter Street, Sheffield S1 4BY

Please email event organiser for BACS details; no refunds for cancellations
