Site Visit – IMPACT Building, Swansea University

Thursday, 18th April 2019
10:00am to 1:30pm (Presentation + Tour + Lunch)
IMPACT Building, Swansea University, SA1 8EN

[@WiPwales](https://twitter.com/WiPwales)

[Women in Property
South Wales](#)

Join AHR, Kier Construction and Swansea University for an exclusive tour of the IMPACT building at Swansea University. The IMPACT building aspires to establish a world class facility for materials research that will create a dynamic environment for collaboration between industry and academia, attract world class academic talent and investment into new research projects. This scheme will be a showcase building at the main entrance to the site, representing the functionality of the ethos of the Bay Campus, while providing a transition between research and making, science and engineering.

We would request that people arrive with PPE where possible (boots, high vis, goggles, gloves and hard hat). Please let us know if you are unable to provide your own PPE.

Parking is available at the pay and display Swansea University car park at the front of the site.

To Apply: Please fill out the form below and return to Natalie Bell at natalie.Bell@andrewscott.co.uk. There is a maximum of 20 spaces available for this event.

Payment: This is a free event kindly sponsored by AHR.
