Our Members Sessions are proving to be a breeding ground for ideas in which Women in Property NW can make a difference to Members, as well as the wider community.

### In Session 4 we discuss being a Mentor

The North West Branch is launching a mentoring programme this summer, exclusively for members. This event is to help us plan our approach by inviting mentors and mentees to share their experiences and talk about the benefits of mentoring. Members who are interested in the process but unsure if they are sufficiently experienced are also very welcome to join the discussion. So please come and join us, so that we can develop a mentoring programme that suits the needs of the North West.
