Women in Property invite you to join a soil resources breakfast seminar sponsored by Wardell Armstrong for those working in the planning and construction sector. Breakfast pastries and refreshments will be provided. Delivered by an experienced chartered scientist the talk will cover the wide breadth of works typically undertaken by a Senior Soil Scientist; ranging from work undertaken as the Soils Specialist for the South Enabling Works of HS2 working with the Costain-Skanska Joint Venture (CSjv) to recent International ESIA works undertaken in Lebanon. We will also look at the more routine stand-alone technical reports; Scoping Reports; EIAs; routing advice; soil survey and Agricultural Land Classification assessment which all feed in to the planning and construction process.

To Apply: Please fill out and return the form below via e-mail to Sarah Criddle: scriddle@wardell-armstrong.com.

If you wish to pay by cheque (payable to "Women in Property"), please state your name and the event on the back and send to: Sarah Criddle, Wardell Armstrong LLP, Tudor House, 16 Cathedral Road, Cardiff, CF11 9LJ.
