Bath Abbey Footprint – Site Tour and Talk

Wednesday 17th July 2019

10.30am – 12.15pm

Bath Abbey, 12 Kingston Buildings, Bath BA1 1LT

Women in Property are delighted to invite you to take a guided tour of the works currently underway at the Bath Abbey Footprint project. Time to network over tea, coffee and pastries will be followed by a fascinating 75minute tour of the project site.

Footprint is a £19.3 million programme of works which will provide sustainable solutions to the Abbey's needs. In particular, an innovative heat recovery system utilising Bath's thermal waters, will provide a low carbon heating solution for the building. In addition the floor will be repaired and stabilized and a new Discovery Centre will tell the story and history of the Abbey.

BuroHappold have kindly offered to sponsor this event and their mechanical engineer will join us to explain the complexities of providing sustainable heating to this historic building.

Limited places due to the nature of the spaces to be visited– book early to avoid disappointment. Max booking of 2 per company. PPE will be provided.

To Apply: Please fill out and return the attached form together with your cheque (payable to "Women in Property") to:
Alice Brook, Buro Happold, Camden Mill, Lower Bristol Road, Bath BA2 3DQ
Please email event organiser for BACS details; no refunds for cancellations
