## What is the Future of Public Sector Procurement

Thursday 4<sup>th</sup> July  
12.00 – 14.00  
Clubhouse, Principality Stadium, Cardiff

There are over 7500 public sector frameworks out in the construction industry so how does a public-sector client choose the right procurement route? If this is a framework how can they then guarantee it will work effectively?

Women in Property are excited to offer members and non-members this CPD event with an expert panel chaired by Pierre Wassenaar, Stride Treglown;

1. Laura Wisdom, Senior Associate - Burges Salmon
2. Zoe Price, Group Director - Public Sector Frameworks – ISG Plc
3. TBC - SEWCAP Framework
4. Ann Bentley, Global Board Director – RLB
5. Jane O’Leary, 21<sup>st</sup> Century Schools Programme Manager – Vale of Glamorgan Council
6. Melanie Godfrey, Deputy Director, Education Business Planning and Governance – Welsh Government

This session will be interactive Q&A throughout asking the audience their opinions, we will look to answer questions such as;

- *What are the advantages for the public sector of using framework contracts*
- *How to manage a call off from a framework – the options*
- *Tips and tricks*
- *When a framework may not provide the best option*
- *With the current uncertainty around Brexit what impact could this have on public procurement*

Our thanks go to ISG and Stride Treglown for kindly sponsoring this event which means we can offer this event free of charge. Drinks and a buffet lunch will also be provided during the networking
