The new masterplan sees a transformation of existing facilities within the grounds of the faculty's Grade II listed Victorian villas on Woodland Road which is due for competition at the end of 2019.

The project is a direct response to rising demand for places at the University's highly regarded School of Humanities, which has significantly expanded in the last five years and is in line with the University's sustainability commitments, the new hub is targeting a BREEAM excellent performance rating.

The visit will include lunch, presentation and a site tour. **PPE will be required** (this includes Hi-Viz, Hard Hat, Gloves, Glasses and site boots) if you do not have PPE please let Natasha know when booking your place.
