

PCH Plymouth Towers Site Visit

18th September 2019 8am – 10am Bailey Partnership, Plymouth, PL1 3JB

Join Women in Property for a tour around Plymouth Community Homes Devonport Towers. Bailey Partnership are completing a landmark project which includes an extensive refurbishment of the Devonport towers. The scheme as a whole consists of installing a sprinkler system, re-cladding, replacement windows, and removal of the pitched roof structure. The project is key to the redevelopment of Devonport and iconic in addressing the risk of fire spread associated with combustible cladding. There will be a talk by Bailey's Architect Mike Smith with breakfast included, followed by a brave tour of the towers with their 15 storey scaffold - we hope you like heights!
