As always, you are welcome to come along for lunch or just a drink and a chat. There is no obligation to stay for any specific length of time but please email Natalia Sokolov at nsokolov@thrings.com if you are intending to come along or would like any further information.

The lunch is open to both members and non-members and is aimed at parents with children of any age and also parents-to-be. Babies and toddlers are of course also welcome.

These informal meet-ups provide a neutral forum where working parents can share their experiences of balancing both family and work, where parents on maternity, paternity or shared parental leave can discuss their thoughts and concerns about returning to work and where expectant parents can get an insight into the amazing, but at times challenging 'world' they are about to enter.

If you cannot make this one, the next meet-up is scheduled for Wednesday 27th November 2019.

We would also like to take this opportunity to let you know that you can freeze your membership whilst you are on maternity leave. When you return to work you can then re-activate the remaining period of your membership. Please contact our national membership administrator for further information membership@womeninproperty.org.uk.
