

COMING SOON: WEBINARS

We have launched a series of webinars for members and their guests to enable us to provide virtual events. A number of the speakers who were going to deliver presentations and workshops in situ, are now kindly adapting them so we are able to bring them to you in your own home. This is in addition to guest webinars.

Some webinars will be exclusively for members, some will be open to members on a comp basis with non members paying a nominal event fee. We also hold webinars with valuable (cpd) content so that personal development can continue during this time.
