NOTE FROM YOUR BRANCH:

We are always looking for new members to join the branch. We are especially keen to hear from those of you who might want to join the branch committee. We are a good bunch who like to support one another. The commitment is as much as you can give, but we generally meet/Zoom once a month (often with wine on a Friday afternoon) and we each take responsibility for one event in the year. If you think committees are not for you, well, think again. We are! If you are not yet on our mailing list and would like to be, please let us know. Contact: lucie.barnes@brodies.com
