Women in Property

Feeling isolated by lockdown, yet working so hard that you don't have time to think about building your career? Missing the support of colleagues and the buzz of the workplace?

This is where mentoring can help, whether you are at an early stage in your career or contemplating a major progression, by providing a critical friend, someone outside your work and home environment who can lend an ear and share experience and skills. Or perhaps you are considering becoming a mentor in these challenging times, to support someone else.

Led by Sandi Rhys Jones OBE, our mentoring scheme not only brings together potential mentors and mentees, it also provides training and transferable management tips to help them develop an effective relationship. Delivered online, in an interactive and positive environment.
