Site Visit of Paisley Museum, with Kier Construction

Thursday 21st October 2021

2.30pm - 5.00pm

Paisley Museum, High St, Paisley PA1 2BA

Registration Deadline: 18th October 2021

Join us for a guided tour around the £42m Paisley Museum restoration project, delivered by Kier Construction*.

Works comprise an extension and transformation of the four buildings, two of which are Category A listed, one being Scotland's first public observatory. The former library will be converted into a new space to house objects from Paisley's internationally significant collections and there will also be a new and improved entrance hall, café, shop with additional learning spaces, as well as improved accessibility throughout the buildings.

The Kier team look forward to welcoming you onto this transformational site.

Note - We are limited to 10 people on this visit so please book early to avoid disappointment.

*It is preferable for attendees to bring their own PPE to this visit but, should this not be possible, please contact event organiser.

Event organiser: Laura Banks

Tel: 07976 123 837
