

Site Visit of Inverness Castle, with LDN Architects

18 November 2021

2.30pm – 5.00pm

Inverness Castle, IV2 3EG

Registration Deadline: 12 November 2021

Join us for a guided tour around the most significant Category A listed building in Inverness. The grouping of buildings that constitute the Castlehill site are architecturally distinguished, iconic and crucial to determining the character of the city and its standing as the Capital of the Highlands.

This transformational project – with the first phase, the enabling works, completed earlier this year – will see the Castle form a new cultural and heritage attraction with public access provided to the site for the first time in its history. With the second phase of works is due to commence in 2022 now is a unique opportunity to see the buildings in a stripped back state of preparedness prior to construction works commencing.

Stuart Mackellar, Partner at LDN Architects, looks forward to giving you an early insight into this exciting project.

Note - We are limited to 10 people on this visit so please book early to avoid disappointment. PPE is not required but face coverings will be mandatory in internal areas and sturdy shoes are advisable
