What is Women in Property?

The Association of Women in Property is a dynamic forum for the professional development of women in the property and construction industry. It enables members to enhance business opportunities, exchange views, network and gain knowledge. It is a unique organisation in that its members cover all disciplines within the property and construction sectors.

Established in 1987, Women in Property is a national body with 8 regional branches and over 1,000 members.

Membership

If you would like to join Women in Property's national body and the appropriate branch, please complete the following form, **confirming your agreement of our GDPR policy (tick box on page 2)** and email/forward to the address below. On receipt of your application form a digital invoice (containing payment information) will be issued.
