Come and join Women in Property South West committee for drinks and nibbles in the lovely setting of Bristol's Harbor House.

This is an opportunity to meet, greet and mingle in person and hear more about what we have planned for the exciting year to come.

Harbour House is one of Bristol's most iconic harbourside buildings. Used as the private boathouse for Victorian engineer Isambard Kingdom Brunel when he was building the city's famous Clifton Suspension Bridge, this Grade-II listed building dates back to 1843 and has long been part of Bristol's heritage.

Both members and non-members welcome and ticket includes a glass of fizz on arrival (or non-alcoholic cocktail) and buffet.
