Back by popular demand due to a sell-out first site visit to Cleveland Pools in February!

Join us at Britain's oldest lido which dates back well over 200 years. The restoration works by Beard Construction will create a unique open-air swimming pool, with energy for heating the water coming from heat pumps in the adjacent river.

The project has been awarded a grant by the National Lottery Heritage Fund (NLHF) and is due to complete in 2022.

Spaces are very limited, so please ensure that you book early to avoid disappointment.

N.B. Beard Construction are able to supply attendees with hard hats and Hi-Viz jackets, but please make sure to bring your own boots.
