Women in Property North West is excited to invite you to join us on a site tour of the Co-Op Live Arena in Manchester.

Hosted by BAM Construction and SES Engineering Services you will hear about this exciting new venue and have a walk around the site to see progress to date.

The tour will give you an overview of the UK's largest and first purpose-driven arena. Co-op Live will be a sustainable, state of the art, world class venue located in Manchester, ready to host events by 2023. Able to offer a warm Manchester welcome to over 23,000 people, it includes an innovative smart 'bowl' design, cutting edge visual and acoustic technology plus 32 amazing bars and restaurants.

This event has limited places and attendees will need to provide their own PPE.
