

LE MONDE
FISH BAR AND GRILL
by Martinez

It's with great pleasure we present you with our wine portfolio that has evolved over the past 40 years. Remaining faithful to our loyal and best selling wine producers that my late Father first built relationships with our wine portfolio has been created with passion, love and care over generations. We do hope our wines bring you as much joy as they have done us over the years. Great memories are made, whilst drinking great wines.

Quite naturally, we have a large selection of Spanish Wines as this is our forte but we also offer a full and comprehensive selection from the rest of the world. Our range of French Bordeaux will rival any list in the UK. Hopefully our passion for great wines will shine through when you read the selection. We are proud to offer the best wine list in Wales for you to enjoy.

Please take some time to browse through our range and feel free to ask questions.
