Women in Property is pleased to present the second of three Inclusion Training Sessions – **Inclusive Behaviour - Unconscious Bias & Microaggressions**.

We all have biases ranging from conscious to unconscious, and shining a light on these biases and their impact on the workplace can be a positive first step for an organisation looking to be more inclusive.

This session we will explore:

- The science and theory of unconscious bias and microaggressions.
- The impact of UB and MA in the workplace – in relation to our interactions, processes and fair decision making.
- Using conscious inclusion to mitigate bias and create an inclusive workplace.

All sessions are useful ‘standalone’ but for maximum benefit you are encouraged to attend all sessions in this series.

[Session 1: 23<sup>rd</sup> May 2023 – Everyday Inclusion](#)

[Session 3: 12<sup>th</sup> July 2023 – Inclusive Language and Conversation](#)

Members and Non-Members of all genders are welcome to attend.

This event is CPD accredited – 1 hour
