Russell**

**STRIDE
TREGLOWN**

Get a team together and get outside to celebrate the start of Summer with our team step challenge.

Stretch your legs over the course of two weeks and log your activity as we work together to complete a virtual walking route.

Sponsored by **Buro Happold**, **Fulkers Bailey Russell** and **Stride Treglown**, we'll raise awareness for two charities: Women's Aid and Girls out Loud.

Women in Property members from any region can enter a team of up to four people. Friends, family and non-members are very welcome, but the team leader should be a **member of Women in Property**.

To register please provide the name and contact details of the member who will be the team lead.

The cost is £40 per team submission and all profits raised will go to the two charities.

The Big Team Challenge platform will be used to monitor activity – a FAQ and further details will be sent on registration.

Last year 60 teams took part and together we walked 18,923 miles! Let's see what we can achieve in 2023...

Members and Non-Members of all genders are welcome to take part..
