The South East Branch of Women in Property are delighted to announce the fourth event in their Top Ten Tips series and the last one in 2023.

Hosted by a few of our committee members, these small informal gatherings provide the opportunity for the hosts to share their many years of valuable experience. They focus on a specific subject and at this evening, you can hear about their Top Ten Tips on **'Presentation Preparation'**.

When 2,000 people were asked to rank out of 10 what their greatest fears were, public speaking came second only to the fear of losing a family member. It also revealed that women feared public speaking more than men. We all know our subject matter and content for our presentations so why do we fear the performance element?

The evening will be directed by Meg Taylor, member of the South East committee with Cathy Stewart, Women in Property Mentoring Consultant, architect and Behavioural Change Coach

Join us for this fourth conversation with drinks and canapés at Davy's Bunghole Wine Cellar in the heart of Mid-City London.

Numbers are limited so please book early to secure a place.

Note: this is a MEMBERS ONLY event with no costs attached!
