Turley's Sustainability & ESG Team is pleased to present a one-hour webinar on empowering organisations on their Net Zero journey.

Turley is an employee-owned organisation with 270 co-owners, has been a CarbonNeutral[®] organisation since 2018, recently became accredited as a Bronze Carbon Literate Organisation and has submitted its near-term carbon reduction targets to the market leading Science-Based Targets Initiative for validation.

The Turley 'Climate Avengers' team is focused on best practice dissemination and empowering organisations to spearhead action to maintain market competitiveness and showcase their climate leadership in light of the worsening crisis.

The webinar will provide some context to the climate crisis in the context of real estate, and provide an overview of steps that organisations can take to reduce their carbon emissions in the pursuit of market leading accreditations.

Members and non-members of all genders are welcome.

Please note the event fee for this event attract VAT.

This event is CPD accredited 1 hour.
