Join us for our **Women in Property Central Scotland & Highlands and Islands Annual General Meeting**, for an inspiring evening where we will celebrate our achievements and gain insights into our organisation and our future initiatives.

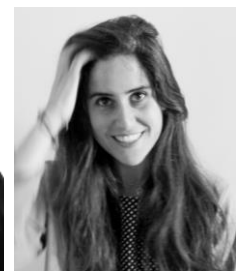

This event, in collaboration with the Highlands and Islands branch, promises an evening of empowerment and celebration where our Chairs, Aurora Tallon from BakerHicks and Eilidh Milne from Pick Everald will provide a roundup of the branches 2023/24 activities, share insights for the year ahead, and introduce the 2024/25 committee and any potential vacancies for the upcoming year.

This is a hybrid event

- in person at Gardiner & Theobald offices in George Square, Glasgow
- and available via TEAMS

We will start our live networking reception with some nibbles at 5:30pm at G&T's offices to start the online presentation at 6pm.

2024 is full of opportunities, including our first Women in Property National Conference here in Scotland, so don't miss the chance to be part of an evening filled with ideas, inspiration, collaboration, and connection!
