

# Women in Property present a Cocktails Master Class:

Friday 11<sup>th</sup> June 2010 at 6.00pm

Revolution Bar, 9-10 Castle Street, Cardiff, CF10 1BS

This Event is sponsored by:  
Boyes Rees Architects

The class lasts around 2 hours, and during this time you get to learn all about cocktails, their history and other interesting facts. You also learn how the bar is set up and what equipment they use to make fabulous cocktails. Every member of the group will get a chance to go behind the bar (like Tom Cruise!!) and make their own cocktail from the menu. You will make and shake them, and genuinely have a hilarious time doing it! There will be games, forfeits, competitions, and vodka shots thrown in the mix! Basically, everyone will have an awesome time getting tipsy as well as acquiring an impressive knowledge of cocktails to amaze friends and family. We suggest you eat beforehand as there is no food provided at this event.
